**6** PREP SINK

Finish all of your daily prep work using this Regency 24" x 72" stainless steel commercial open base work table.

This work table features a durable 16-gauge type 304 stainless steel shelf and legs to ensure a long service life in your business, even in damp conditions. It's perfect for a variety of tasks, making it extremely versatile. The open base design helps with easy cleaning, and assembly is simple using the included hardware.

**NSF Listed**  
This item meets the standards imposed by NSF International, which focuses on public safety, health, and the environment.

**16-Gauge Stainless Steel Shelf**  
This Regency commercial work table features a durable 16-gauge type 304 stainless steel shelf that can support up to 500 lb. of evenly distributed weight, making it more than capable of handling your daily prep tasks like pressing burger patties, chopping vegetables, or working with dough. Its base for bakets, grocery stores, bars, and much more!

**Open Base**  
Thanks to an open base, this work table is perfect for areas with floor drains. With no underbody, it's easy to rearrange underneath the table to your liking.

**Cross Bracing**  
Cross bracing helps stabilize the legs to help ensure that your table will remain sturdy under the daily pressure of your busy operation.

**Adjustable Buller Feet**  
Adjustable buller feet allow you to level your table on uneven surfaces for the best possible stability.

**Stainless Steel Legs**  
Stainless steel legs help to offer top professional-grade performance and corrosion resistance for use in wet conditions.

**Ships Unassembled**  
This item ships unassembled to save you on shipping costs. An Allen wrench and two set screws are included for easy assembly.
